Night Nurse Wanted -
Registered Veterinary Nurse

Shepton and Wells Vets are a busy, first opinion, Small Animal Practice based in Shepton Mallet and Wells, Somerset. We are proud to be an independent practice with a team of 11 Vets and 12 qualified Nurses.

We have seen rapid growth over the last few years, and we are now looking to recruit a further Registered Veterinary Nurse to work nights, to support our growing practice.

Shift patterns will be 2-5 nights on, 10 nights off on a rota basis to include weekends and bank holidays.

The night nurse will be responsible for patient care, and triaging call during the night, with the support of the duty vet when required. Alongside caring for inpatients, the role will include other duties such as; preparing kits and equipment for the next day, cleaning and administration.

For more information regarding this role, or for an informal chat, please contact our head nurse Faye Dart
