

SHEPTON VETS IS LOOKING FOR A NIGHT NURSE TO JOIN OUR TEAM!

Shepton and Wells Vets are a busy, first opinion, Small Animal practice based in Shepton Mallet and Wells, Somerset. We are proud to be an Independent practice with a team of 13 Vets and 11 qualified nurses.

We have seen rapid growth over the last few years and we are now looking to recruit one more Registered Veterinary Nurses to work nights. We have already recruited 2 night nurses, but we are now looking for our third and final individual.

This venture has been launched for over a year and has made a huge difference to patient care within the practice. Shift patterns are 5 nights on 10 nights off, on a rota basis to include weekends and Bank Holidays. Candidates will have the ability to manage their own time schedules during the night and the practice are happy for rest/nap breaks to be taken around patient care. There will also be the opportunity to pick up a couple of day shifts on your nights off if you wish to do so.

We are looking for individuals who are competent in all aspects of veterinary nursing and be confident in their own abilities, as the majority of work will be sole charge. The role will suit someone who is passionate about inpatient care, and ideally with an interest in emergency and critical care, however this is not essential.

The night nurse will be responsible for patient care, triaging calls during the night, with the support of the duty vet when required. Alongside caring for inpatients, the role will include other duties such as; preparing kits and equipment for the next day, cleaning and administration tasks. This role will be based at our Shepton Mallet practice.

RCVS fees paid for, CPD benefits, discount for own pets, pension scheme.
Salary £22,300 per annum

For more information regarding this role, or for an informal chat, please contact our Head Nurse Faye Dart on 01749 343955 or email Faye.Dart@sheptonvets.com.
